

TERRITORY SALES MANAGER - MIDWEST

This position is an exciting opportunity with a rapidly expanding animal nutrition company located in Auburn, NY. Denkavit (dba Grober Nutrition LLC) has been in business for more than 80 years and it is our mission to be the most attractive partner globally in young animal nutrition.

Denkavit USA is focused on revolutionizing the milk replacer industry by applying the latest scientific research and findings in nutrition. Starting with the best ingredients, processed in a new, state of the art plant, Denkavit produces milk replacers and protein encapsulated fat that exceeds anything the industry has to offer.

WHAT WILL YOUR ROLE INVOLVE?

Denkavit is looking for a Milk Replacer Territory Sales Manager for the Midwest area (including states of MI, IN, IL, IA, KS, MO). The ideal candidate will have a passion for agriculture, animal nutrition, and innovation. To be successful in this role, the candidate must be a highly skilled communicator in verbal and written formats. The Territory Sales Manager is responsible for identifying and developing new prospects, supporting existing business and delivering on budgeted sales expectations in the assigned geography and accounts. Serving as a primary resource for technical support by leveraging all the necessary resources Denkavit has available. Team work, individual effort and delivering a superior customer experience will be key to the incumbent's sales success.

Denkavit invests in her employees and seeks a dynamic candidate who wants to push the status quo of the animal nutrition industry and continuously improve in terms of personal and professional development.

This is a full-time salary position with a 401K package and benefits. Position reports directly to the Manager of Sales & Business Development of Denkavit USA and will work closely with the entire sales team and the international Denkavit organization.

*Working at Denkavit is
challenging and offers
possibilities to develop your
professional and personal
capacities.*
